OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 6 June 1972

1. [] Met with Mr. Ralph Preston, House Appropriations Committee staff, and made an appointment to pick him up at 11:00 a.m., Tuesday, 13 June, for a luncheon meeting at Headquarters for further briefing on sensitive projects outlined by the Director in the briefing of the Special Intelligence Group on 1 June 1972. The offices of Messrs. Steininger, ADD/S&T, and Proctor, DDI, have been advised. 25X1

I also discussed with him the Committee request for a spread sheet on tactical intelligence programs of the Department of Defense. Mr. Preston indicated that as was discussed during the meeting with the Special Intelligence Group this is a matter of strong interest but that the Chairman understands that at this stage we will, of necessity, have to deal in "round numbers" rather than technical detail. I thanked Mr. Preston for the advice. [] has been advised. STAT

2. [] Met with Mr. William Shattuck, Counsel, Subcommittee No. 2 of the House Judiciary Committee, concerning the bill [] 25X1

[] Shattuck told me that he followed normal Committee procedure in requesting a report from the Civil Service Commission. He will request a report from the Agency also if it would be of assistance to us in supporting the claim. I thanked him for his offer and told him I would talk to him again on Friday or Monday which would give us time to check with the Civil Service Commission before talking to him again. Although he cannot guarantee the success of this bill, the Committee has approved a limited number of somewhat similar bills in the past. [] OP, has been advised. 25X1

3. [] Met with Ralph Preston, Staff Assistant, House Appropriations Committee, and gave him a revised statement on the contractors involved in a certain sensitive community technical collection project. 25X1
